

ARTIST VENDOR APPLICATION DARKLIGHT REVIVAL!

Bentonville, Arkansas. Saturday, October 13th 2018 @ Meteor Guitar Gallery. 8pm-1am

An interactive art show under ultraviolet light! Sell your art and participate as a live painter!

Bring art supplies, a Canvass, Painter's DROP CLOTH, Easel, Chair, Small Table or Portfolio Bin so people can flip through your art while they wear ChromaDepth 3D glasses that enhance the experience!

We provide the glasses with the ticket price. Ambient UV light is provided. Artist spaces are cozy and easy to occupy: 5'x5' each. Bring your best! It's a fairly small venue so everything is compact and will be organized in a highly visual fashion.

() \$25 each 5'x5' space: for artists who only wish to perform live painting under ultraviolet light. You may distribute information, business cards/flyers. No selling under this option. You may have a tips jar but may not charge fees. This is an artist **busking position**.

() \$25 each 5'x5' space: for UV reactive art installations with promotional materials for your organization or club. This is a **sponsorship position**. Your organization creates an art piece and leaves it in your booth space with information about your group or cause.

() \$65 each 5'x5' space: for artists who wish to sell prints and/or merchandise or body/face painting services for a fee. You may also paint live and distribute promotional materials, if you wish. All sales must be reported and ST370 forms will be provided by the event. They must be returned at the end of the night to event host. This is a **vending position**. *(We do NOT take a percentage of your sales and there are no gallery fees. Just pay the vending fee and taxes)*
